The Mountain School 2012 Summer Camp Application

July 9th – August 17th

The Mountain School is pleased to offer 6 weeks of exciting specialty camps beginning July 9th, 2012! Our 3, 4, or 5 day camps are theme driven this year and are tailored for specific age groups from 4-12 year olds. Each camp will include elements of art, the farm, and garden along with its specific focus. Children will have time to explore our beautiful farm setting, spend time with our bunnies, goats and miniature horses, work in our organic gardens and enjoy age appropriate water ways and nature trails. The indoor environment at the school is as enchanting as the outdoor environment with an indoor greenhouse and art room, kitchen for cooking the bounty from the farm and garden, hand-made and natural fiber toys and crafting materials and a cozy story corner.

The Mountain School is truly one of the valley's most unique schools. All of our summer camps are taught by our qualified teaching staff and are sure to be a highlight of your child's summer!
